Teacher/Aid Application

At NCA, we believe in providing our community with excellence through education in a Christ-centered environment. We believe teaching is both a discipline and a divine calling, to “train children to live the way they should” (Prov. 22:6) to the glory of God and to the benefit of their communities. We are seeking applicants who are professionally qualified, who love children, and who, but the pattern of their lives, are Christian role models (Luke 6:40).

We appreciate your interest in joining our mission at Nazarene Christian Academy (NCA) and invite you to fill out this initial application. ***Please return your completed application along with a copy of your resume and three references to the main office.*** If an opening occurs for which you may qualify, we will notify you and contact your references. If we have continued interest in your candidacy, we will send you follow up questions and arrange for an interview with administration.

We look forward to receiving your initial application. Thank you for your interest in the ministry of our school. It is our prayer that God fulfills His perfect will in the lives of all applicants.
